

## **Full Stack Developer Intern (MERN)**

**Location:** B-17, Islamabad, Pakistan

**Job Type:** Internship – Full-time (Mon–Fri, 10:00 AM – 6:30 PM)

**Experience:** Fresh Graduate

**Qualification:** Bachelor's in Computer Science / Software Engineering (or related field)

### **About Us**

At IT Solutions Hub 2010 Pvt Ltd, we focus on delivering cutting-edge digital solutions and empowering businesses with technology. We are offering a great opportunity for fresh graduates to join us as **Full Stack Developer Interns (MERN)**. This internship is designed for individuals passionate about coding and web development who want to gain hands-on industry experience and mentorship from senior developers.

### **Position Overview**

The Full Stack Developer Intern will support the development team in building and maintaining web applications using the **MERN stack (MongoDB, Express.js, React.js, Node.js)**. This role is ideal for recent graduates who want to learn professional coding standards, deployment practices, and software development workflows.

### **Key Responsibilities**

- Assist in developing and maintaining web applications using the MERN stack.
- Support in designing and managing databases in MongoDB.
- Learn and contribute to building secure RESTful APIs.
- Help test, debug, and troubleshoot applications under senior guidance.
- Collaborate with senior developers, designers, and product managers.

- Gain exposure to application deployment workflows and version control (Git/GitHub).
- Learn to write clean, maintainable, and well-documented code.
- Support frontend development tasks using **React.js** with Tailwind CSS.

### Required Skills & Qualifications

- Fresh graduate with a degree in Computer Science, Software Engineering, or a related field.
- Basic knowledge of HTML, CSS, JavaScript, and React.js.
- Familiarity with Node.js, Express.js, and MongoDB (academic or project experience is acceptable).
- Understanding of Git/GitHub basics.
- Eagerness to learn and improve in a professional environment.
- Strong problem-solving and communication skills.

### What We Offer

- Hands-on training with senior developers.
- Opportunity to work on real-world projects.
- Professional mentorship and career development guidance.
- Possibility of a full-time role after successful internship completion.
- Friendly and collaborative work environment.
